

GLOBAL COMPACT ON EDUCATION

Global Compact on Education Logo

This logo expresses the invitation of Pope Francis to involve everyone in the Global Compact on Education

The Form

1. A stylized drawing of a world, embraced by a human figure.
2. At the center of the world there is the human person who carries out an action of care and protection of the world.
3. The line of the circle symbolizes the macrocosm that is God, and expresses the beginning and end of everything, being totality.

The Colors

1. **Green** – because it recalls nature, growth, renewal and also hope. The possibility of “sowing” prophetic dreams.
2. **Blue** – to remind us of our spiritual dimension and how we would like to contribute to achieving peace.
3. **Gold** – a golden brushstroke to represent the light, the sacred. For every covenant, every covenant for the common good, for the good of humanity, has something sacred in it.
